

Women's Spirituality & Faith Formation

"Long before we do anything explicitly religious at all, we have to do something about the fire that burns within us. What we do with that fire, how we channel it, is our spirituality." This is Fr. Ronald Rolheiser's premise as he explores the four non-negotiable pillars that support a healthy marriage of Christianity and spirituality. The study of this book will help those who long to create a more holy and lasting spiritual union with their God and all that supports that relationship. Discover the make-up of a healthy spirituality and how the centrality of the Incarnation is the sustenance of the spiritual life and how spirituality necessarily impacts every aspect of human experience.
