

Videotaping & Photographing of Children/Youth Consent Form

On occasion, at Holy Spirit Catholic Church, videos and photographs are taken of children and youth during church and diocesan sponsored activities, such as Mission Possible, Vacation Bible School, etc. These videos and pictures are utilized in Commission newsletters, the Faith Formation website, advertisements and other printed media.

As the State of Texas does not prevent videotaping or the photographing of children/youth (with the exception of Senate Bill 1, Section 26.009, which deals specifically with school districts), it does encourage parental consent. Additionally, current videotapes and photographs assist law enforcement agencies which deal with the Missing Children's Program.

With that in mind, please mark the appropriate box on this form regarding consent of videotaping and/or photographing of your child.

- I give permission for my child to be videotaped and/or photographed at and during church and diocesan sponsored activities.

- I do not give permission for my child to be videotaped and/or photographed at and during church and diocesan sponsored activities.
